

## Summer Reading at Concordia Preparatory School

Middle and upper school English classes read one or two novels over the summer. This allows students to read a novel at their own pace and prepare for a strong start to the school year. The first unit of the school year develops the materials assigned for the readings. Please make certain to purchase a copy of the summer reading, read the text in its entirety before the first day of class, and print up and complete the summer reading packets for the class you are entering.
