

German Summer Work

Students will be working on Duolingo assignments during the summer to stay fresh and review their German vocabulary and grammar. Instructions for creating your account and joining the class are on the included PDF file. Students will have 2-3 lessons per week to complete, but assignments will be available for at least two weeks in case students are on a trip or otherwise do not have access to Duolingo (although you should be able to add an app to your phone). ***Students moving on to German II will also have class novel to read which they should pick up from an administrator when coming to school to clean out their lockers and return materials. Reading guides and book-related materials will be shared via school email with the students.***

Students should join the appropriate classroom using the following links (*but please consult the PDF as well for information on adding the app and proper setup of your account*).

Please contact Ms. Weldon at melissaweldon@concordiaprepschool.org if you have any difficulty setting anything up or using your Duolingo account. Please do so as soon as possible so you can stay current with the summer work.

Blessings on your summer!

Frau Weldon
