

Student Zoom Account Instructions

Email invitation from Mrs. Trapani:

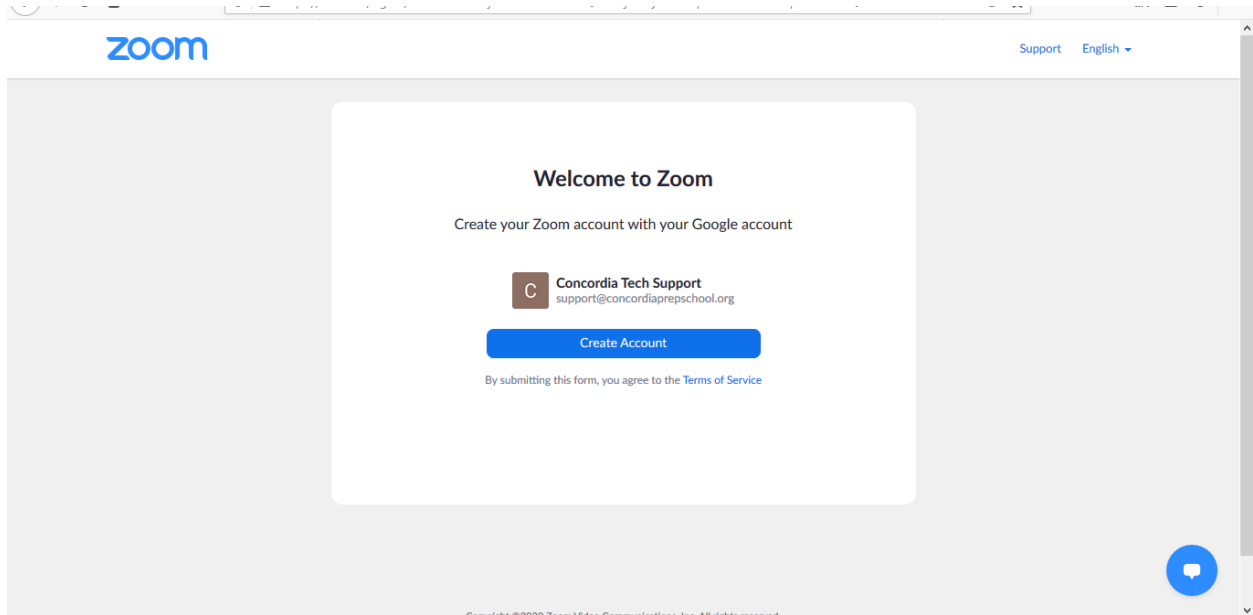

Click **Activate Your Zoom Account**

Choose **Sign In With Google**

Choose your school Google account from the list.

Create your Zoom Account with your school Google account and click Create Account as shown below:

****If your child created a Zoom account last school year, he or she will receive a slightly different email from Zoom to simply join our school organizational account. The student should click the email link to join our school Zoom organizational account.**

If you have any questions regarding student Zoom accounts, please contact Mrs. Amanda Trapani, Director of Technology at amandatrapani@concordiaprepschool.org.
